## **Assessment**

### **Using Quick Checks**

*Focus: Treasures Features*

1. Use daily “Quick Check” observations to determine follow-up activities for skill instruction.
2. Have students answer the “Comprehension Check” at the end of each reading selection to assess their comprehension.
3. Observe students reading the weekly Fluency Practice passages.
4. Locate the Diagnose and Prescribe chart on the End-of-Week Assessment pages for recommended instructional steps.
