What is the Electoral College?

Mini-Project
Who do you think will win the 2008 election? Visit the link below and decide who will be our next President. Red states are Republican states. Blue states are Democratic states. Remember, it only takes 270 electoral votes to win. On the chart below, list the states, electoral votes, and the total number of electoral votes for the candidate who you think will win the election.

Seattle Times Electoral Map
