## Research Roadmap

### Prepare

1. BEFORE YOU START  
Make sure you review the meaning of the key words.
2. LOOK AT THE CASE STUDY  
The health care industry is growing quickly in California. There is a need for nurses, doctors, and other health care professionals.
3. CHOOSE A TOPIC  
Use the TOPIC FINDER to find more information about the jobs in your community. Work with your group to decide on a job category.
4. RESEARCH  
Explore your topic using the RESEARCH LINKS.
5. PREPARE  
Make a list of details about your job.

### Present

Set up stations around your classroom. Sit with your group and be prepared to talk about the job you researched.

### Key Terms

**competition** Trying to win or gain something from others  
**employee** A person who works for some person or business for pay  
**export** To send goods to another country to be sold  
**manufacturing** The business of making or procuring something  
**union** A group of workers who join together to improve their working conditions

### Key Questions

1. How much education do you need for the job?

\_\_\_\_\_

2. What skills does someone doing the job need to have?

\_\_\_\_\_
